✓ 1. How did Teddy Roosevelt bridge the gap between business and labor in strikes/disputes? * 1/1

- ☐ a. Referendum - choosing the side that was right and backing them
- ☐ b. Progressive Movement - helping make reforms to help society
- ☒ c. Arbitration - government serving as a 3rd party to facilitate compromise instead of as a strikebreaker that sided exclusively with businesses ✓
- ☐ d. Big Business - helping people to spend more money

The next four questions have the same three answer choices, meaning that one of them will be used twice.
